

E O

2019 SUMMER SHORT COURSE CAMP *in Seoil*

I L

| Location

Seoul, Korea

| Period

July 08 – 14

Program Overview

The goal of this program is to provide an opportunity to Indonesian participants to understand and experience Korean culture, in addition to various types of Korean lifestyle.

During one week of specialty classes, the participants will experience Korean culture as well as basic Korean language. They will also engage in activities such as “K-Pop” (BTS dance lessons, Blackpink song lessons), “Gimbap and Topokki Cooking,” and “K-Drama ‘My ID is Gangnam Beauty’ Experience,” which are designed for students to enjoy various aspects of Korea.

In addition, the program will offer various experiences in addition to Korean language classes, so that the participants will be able to enjoy Korea to the fullest. They will have the chance to visit ancient palaces wearing traditional Korean clothes (hanbok), take the Hangang River Ferry in Seoul, visit amusement parts, shop at Myeongdong and Shinchon Street of Youth, and engage in various K-Culture tourism activities. Also, the program will accommodate the religion of the Indonesian participants and make excursions as comfortable as possible by setting up prayer rooms near the hotel and classrooms and offering halal food for meals.

2019 Summer Short Course Camp in Seoul is composed of Korean lessons, specialty classes, and cultural experience, which are designed to help the participants learn and enjoy Korea during the one week program.
